11th May 2020 Year Two Home Learning

Spelling/ word work – adding suffixes. When adding the suffixes below remember to chop off he –y and then add an –i, then add the suffix. BUT! Does this work for all words and all suffixes added? Maybe you could use a dictionary (online ones are available to) to check. Remember to only use the internet with an adult.

English

Imagine you had a notebook and pen whilst being stuck on an island. Write a diary entry explaining what you did with your day. It could be anything from making a shelter, preparing a tasty dinner or swimming in a river that is there on the island. You decide! Maybe try to think of 3 things that you might do.

Geography – Same as last week as there is so much to explore on this website.

Try looking at this web page that shows you what maps are and how they are used. There are also some games you can do!

Get yo body moving.

ART

You have made a shelter on your island. Draw a picture of it. Here are a few images to help you with ideas.
