

Hello Year 1,

How are you all? We want you to know that we miss you but we are glad you are keeping safe at home. Has anybody else made rainbows to put up in their windows? Here are Mrs Mercer's:

It is nearly Easter so this week, we would like you to use the spring maths activity book to practise some of the skills you have already learned. If you can get on a tablet or computer, give Top Marks games a try, especially Blast Off, Chopper Squad and our classroom favourite...Hit the Button.

Practical maths is great too. Are there enough emergency vehicles to rescue the trapped cars?

Top Trumps: Whose crisps have the lowest salt percentage?

Counting in twos using connect4.

We are all finding our feet with learning from home. Please don't try to fit hours and hours of sit down learning into each day. Mrs Mercer has been building bed sheet forts in the garden and Mrs Crawford-Brown, Mrs Wiley and Mrs Jones are enjoying the Joe Wicks workouts every morning. Who else is joining in with these?

Please, please read every day. You can access some Oxford Reading Tree books online, but use the books you have at home too. Read the recipe for dinner or the instructions for a board game. We have included a list of words to read and spell. Play games with these words. Mrs Mercer's favourite is water gun target practice: print or write the words and stick them around the garden. Then find and shoot the word your family member calls out. This would be fun with Nerf guns too!

Year 1 Common Exception words

the	his	go	ask
a	has	so	friend
do	I	by	school
to	you	my	put
today	your	here	push
of	they	there	pull
said	be	where	full
says	he	love	house
are	me	come	our
were	she	some	
was	we	one	
is	no	once

After Easter, we will be learning how to multiply using **arrays**. There are some resources on Twinkl for this and you can download these for free. What can you find at home to make arrays with (rows and columns as below)? We will post worksheets, videos and online games here each week.
