

## Creative Homework Projects for Our Home Learning Heroes!

This term, the value of home learning is more obvious than ever before. We want you to enjoy learning together and would love to be sharing your work in school. Please send any pictures, videos or any other documents you create to [cal27@catshillfirst.worcs.sch.uk](mailto:cal27@catshillfirst.worcs.sch.uk) and we will personally respond to it. We may even ask if we can share it on the website or social media too!

### Bright Lights, Big City – Creative Homework Projects

#### 3D modelling

Make your own cityscape artwork. Which building will you choose to create? What materials will you use?

#### Collage

Create your own fantasy city. Label your city to show what there is. What would the transport be like in this city?

#### Virtual Tour

<https://360.visitlondon.com/£>

This amazing website lets you see all the famous landmarks up close. Take a trip and make a diary of your visit!

#### Invitation

Write an invitation to the Queen for your very own Tea Party. What menu would you provide? You could even make some bunting and dress your teddies smartly

#### Research

Find out about the different types of cities in the world. Use the internet with a grown up. Make a scrap book about all the cities you find. Which is your favourite?

#### Time Travel

<http://www.fireoflondon.org.uk/game/>

Go back to the Great Fire of London and find out how the city changed as a result of the events of September 1666

#### Design

Design a house suitable for the Queen. What type of house would she need? How many rooms will the house have? What colours do you think the Queen likes?

#### Paddington

He LOVES marmalade sandwiches. Write some instructions for your own sticky sandwiches.

#### Music

Learn the lyrics and sign language to sing this song. I would dearly like to put a video together of lots of the children singing and signing it.
