

Bright Lights, Big City

This is our last week looking at Bright Lights, Big City. It has been a fantastic topic and we have enjoyed seeing what you have been up to at home.

Our final landmark is going to be...The Tower of London!

What interesting facts can you find out about The Tower of London?

When was it built?

What was it used for?

What is it used for today?

What special items are stored there?

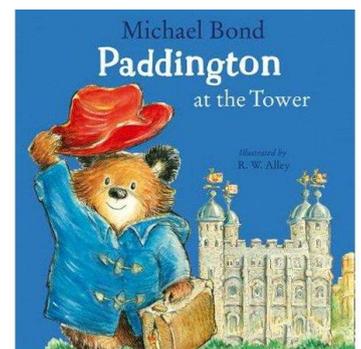

Can you find out the most interesting facts about this landmark?

You might want to watch or read "Paddington at the Tower"

You could rewrite the story of what happened to Paddington

Or write your own story about visiting The Tower of London.

Something a little bit different!

If you want to look at something different to London Landmarks why not find out about the Great Fire of London!

Take a look at the PowerPoint of the Great Fire of London.

Can you:

Sequence the events

Write a diary about what happened

Create a map of the fire in London

Write about how the fire stopped

Find more Great Fire of London resources here

Phonics

Let's recap some of our Phonics sounds here.

How many different ways can you spot these sounds in words? For example, in comics, letters through the door, on the computer, leaflets, food packets.

You could make a poster for one of these sounds with words and pictures that have that sound in.

Spelling

* Spell the days of the week: Keep a diary of things you do in the week (it only has to be a sentence for each day but would include the days of the week).

* Spell common exception words
