

Our value for October is Responsibility

We are responsible for ourselves, our words, our actions and our choices.
We can show our responsibility by setting a good example to others, solving our problems appropriately and accepting when we have done wrong.
What ways do you show responsibility at home?

The draw will take place after school next Monday and the winner will be announced on Tuesday 20th October.

Please be reminded that it is safest for everyone if adults wear a face mask at our busy pick up and drop off times. It is also important not to stand in groups or loiter on the playground. You may feel safe but older and vulnerable members of the community and in your families could be at risk if you pass the virus on to them.

Thank you for keeping us all safe by

- wearing masks at our busiest times
- social distancing and avoiding groups
- not sending additional items into school with your child
- leaving the playground promptly after dropping off/collecting your child
- making sure your child has everything they need for the school day
 - utilising the extended drop off and collection times
 - washing hands regularly

By following all of these measures we are all playing our part in protecting everyone and keeping school open to all.

Thank you for the positive feedback to our Parents Evening phone calls that were held with class teachers this week. We hope that you have found it useful to still have that contact with the teachers, as we are currently unable to hold face to face meetings. If you were unable to take the call or were not able to book a slot for this week, please speak to your child's class teacher to arrange another time.
