

The value for this month is pride.

This week we have been talking about taking pride in our work and being proud of our achievements. It has been lovely to share work this week that we are proud of. Here are some children who are proud of their amazing work!

Sports Days

We are planning an afternoon of sports for each year group next week. The children in each year group will take part in a variety of sports, races and events.

Please could all children come to school in trainers on their designated day.

Monday 21 June - YEAR 4
Tuesday 22 June - YEAR 3
Wednesday 23 June - YEAR 2
Thursday 24 June - YEAR 1
Friday 25 June - RECEPTION

Unfortunately, following guidance that schools should continue to work in bubbles and not risk exposure to additional adults, we will not be able to invite parents again this year. This is in line with many other local schools.

💖💖 T-shirts with Values Words 💖💖

We have noticed that many of the children have been wearing t-shirts with values, words or phrases on them such as 'Be Kind' or 'Love'. We are taking photos of them so that we can put them on a display for next year.

● Car Park - Important Notice ●

The car park at Catshill First School and Nursery is for use by school staff only. The only exception to this rule is when access is required to the disabled parking space. Whilst we appreciate that the roads around school are busy, the car park is not to be used by parents/carers dropping off or collecting their children.

All Access to the school premises must be via the pedestrian footpath and NOT through the car park.

Covid Advice

Worcestershire Children's First have told us, as schools, that we should not change any procedures or systems until further advice is given. We therefore request that parents continue to wear masks and socially distance themselves on the school site. In school, we will maintain our bubbles and continue with the same routines and expectations for our children and staff.

Mr Essenhigh sent out a message previously which reminded carers and parents that:

1. If any member of a household displays any of the key symptoms (Cough, Temperature, Loss of taste/smell or headache) then it is necessary to take this person for a PCR test at a local testing point. Whilst the result is pending all household members should isolate.
2. Lateral Flow Tests which are now more readily available are for routine testing for those with NO symptoms.

Sunny Days

Please make sure that your child has a hat for outdoor sessions, We also recommend that parents/carers apply a long lasting 'once a day' sun cream on sunny days. Thank you
