

What does my child need to bring to Nursery?

- Bag of spare clothes – this can be left in Nursery and sent home when needed.
- Pair of wellies (named) – these can be left in Nursery
- Water bottle – brought in daily
- Book bag – brought in daily

Thank you for the warm welcomes we received on our home visits last week, we hope you found them as useful as we did. The children have made an excellent start in Nursery and are settling in really well...getting to know friends, playing with toys and beginning to follow the routines.

Please ensure you **name your children's belongings**, we often have similar or the same items sent in and it is much easier to match them with their owners if they are named.

Reading Books

We will start sending reading books home, with children who have a book bag, within the next few weeks. We hope you will enjoy sharing bedtime stories with your little ones!

Nursery Session Times

Morning – 8.45-11.45

Afternoon – 12.30-3.30

All Day – 8.45-2.45/3.30

Please ensure you are on time for the beginning and end of sessions.

Nursery Rhymes

We have been singing lots of Nursery Rhymes this week;

Humpty Dumpty

Incy Wincy Spider

Row, row, row your Boat

1, 2, 3, 4, 5 Once I caught a Fish

5 Little Ducks went swimming

Personal, Social and Emotional Development

This half term is all about getting to know our friends in Nursery and beginning to follow the rules and exceptions within the Nursery.

Our topic this term will allow us to really get to know your children, their interests and learning styles. If you do things as a family which you would like to share with us, please send in photographs to act as a prompt for your child to recount to us.

Mathematics

We are beginning our Maths journey by practising our counting skills and singing counting songs.

Our Topic:

Expressive Arts and Design

We will be using a range of materials this term to create pictures of ourselves and our family.

Communication and Language

It's so important to get our children talking, please support this Prime Area of our curriculum by setting aside daily some time where 'screens' are put away and you talk with your child about their day.

Understanding the World

Over the half term we will be encouraging the children to talk about their families and the things that are important to them. Please send in a photograph of your family, which you would be happy to have on a display, by 28th September.

Physical Development

The children will be offered a range of experiences this half term which will develop both their fine and gross motor control. They will have access to the trim trail weekly, which is always an exciting opportunity!

Literacy

We have begun the year by sharing lots of stories, we will continue to do this over the year but our books will have a 'family' theme to them.
