To Parents & Carers

On **Monday 3 December** we are holding our **Christmas Workshop** for parents, carers and children during which we will make a variety of Christmas decorations. It will start at **3.30pm** and finish at **4.30pm**.

We will decorate our Christmas tree and make decorations to transform the school ready for our Christmas celebrations.

At the end of term, all of these decorations will be sent home for you to use on your own tree.

All children must be accompanied by an adult and this workshop is not open to children who do not come to the school, although younger siblings are welcome (you will need to purchase a ticket for them too).

To pay for resources we are charging **£2 per child**. To reserve your place on the workshop, please complete and return the slip below and make the appropriate payment on Payments 4 Schools.

Refreshments will be available.

Our workshop last year was hugely successful and so this promises to be an equally fun-filled festive evening. We hope to see as many of you there as possible!
