

30.11.18

Dear Parents/Carers,

Next week, we will be making moon buggies in school. The children would like to use **yogurt pots, milk bottles, cardboard boxes (small and cereal box sizes), cardboard tubes and foil trays** in their work. If you have any clean items at home that would be useful, please send them in on Monday. We would like to invite you to see the finished moon buggies at the end of the day on Friday 7th December on the playground. They will be on display on the Trim Trail (weather permitting). Unfortunately, we cannot send them home as they will be joint projects.

Thank you for your support,

Year 1
