

Year 1 Home Learning Projects

(This a copy of letter already sent home before half term)

The children in Year 1 will be taking part in '**Creative Homework Projects**' that we would like them to complete over the coming weeks. The projects follow our current theme of **Splendid Skies** and will allow the children to extend their understanding of the subject, demonstrate their creative talents and share their findings with the rest of the class. We will be learning about weather and seasons and using books about space, aliens and the moon

Your child should choose at least one task. Your child is likely to require support from you to complete the tasks and we hope that you enjoy working on them together. All work produced will be displayed in the classroom, entrance halls or display boards around school. We will also be sharing the work in Year 1 assemblies.

We look forward to seeing the results and would like the children to bring their completed projects into school before **Monday 17th December** so that they can share and celebrate each other's talents before the end of the term.

Thank you for your support.

Mrs Mercer and Mrs Wiley

Splendid Skies			
<p>Writing Project Options</p> 	<p><u>Poem</u> Can you create a poem about space and aliens?</p>	<p><u>Story</u> Can you write a story about a journey into space? You could create a book and draw pictures to go with it describing what you got up to.</p>	<p><u>Special Message</u> Can you create a special message to send to an alien explaining about life on Earth?</p>
<p>Research Project Options</p> 	<p><u>Quiz</u> Can you create a quiz about the planets in our solar system for the children in your class to answer?</p>	<p><u>Information booklet</u> Can you create an information book about the planets in the solar system? You might want to write about what the planets are made up of.</p>	<p><u>Research</u> What facts can you find out about light and dark? Can you find out about different light sources? You can present your findings however you like. For example ICT or a poster.</p>
<p>Creative Project Options</p> 	<p><u>Alien</u> Can you create your own space alien?</p>	<p><u>Board game</u> Can you create an alien board game which include space tasks when you land on a square?</p>	<p><u>Seasons</u> Make a picture or collage to show the changing seasons.</p>
