

KEY STAGE 2 Home Learning Projects

4J 4M

The children in Year 4 will be taking part in 'Creative Homework Projects' that we would like them to complete over the coming weeks. The project for this half term is Burps, Bottoms and Bile; a project about teeth, digestion and the skeleton.

We look forward to seeing the results and would like the children to bring their completed projects into school the week beginning 10th December so that they can share and celebrate each other's talents before the end of term. We would ask that this project reflects six weeks' worth of work, and demonstrates the children's own work, although we really appreciate your support in helping them complete their homework.

Thank you for your continued support.

Mrs Jones and Miss Moody

Digestive system Quiz Who wants to be a millionaire? Create a multiple answer quiz on the digestive system. Which organ stores bile? a. small intestine b. liver c. gallbladder or d. pancreas	Bathroom hogging? Who spends the most time in the bathroom in your house? Make some observations and display your findings in a graph or chart.	How long is your small and large intestine? Use research to find out the measurements for the different parts of your digestive system. Use chalk or a piece of string to show how long your intestines would look stretched out.
Horrid habits Create a comic book character about a child with a horrid habit (like nail biting or ear picking). Then create a comic strip where your character goes on an adventure to try and give up their horrid habit.	Coin cleaning cola? Drop grubby copper-plated coins into a range of fizzy drinks and leave them overnight to see what happens. Which brand has the most powerful cleaning properties?	Allergic reactions Some people sneeze because they are allergic to certain substances such as pollen or house dust mites. Survey your family and friends and find out if anyone has an allergy. How will you record this information?
Shall we all become dentists? What qualifications and training do you need to become a dentist? You could quiz your dentist at your next check up! Ask before you have a mouthful of instruments!	Try something new Try new food or a drink that you have never tasted before. What do you like or dislike about its taste and texture?  A colorful illustration of various cartoon vegetables with faces. There are carrots, a potato, a bell pepper, a tomato, and a mushroom, all with simple eyes and mouths drawn on them.	The journey of food What is the journey a piece of food takes inside your body? Can you write about it or draw it?
