Dear Parents/Carers

Forest School – Year 3

We hope your child has enjoyed Forest School this term as much as we have despite the sometimes cold and wet weather. Your children have impressed us so much with their amazing imagination and team spirit. They have created brilliant things outside such as zip wires and swings, cars made from palettes, they have built dens and made dream catchers and of course celebrated Halloween with pumpkin soup around the fire.

In the New Year, Year One will be coming to Forest School and your children will be doing some other exciting activities, but we really hope that your children continue to enjoy the great outdoors. It would be really interesting to hear any feedback you or your children can give us about their time at Forest School.

We hope you all have a fantastic Christmas and a Happy New Year.

Kind regards

Jill Skidmore and Jackie Lawrence
