REMINDERS –

- ★ Remember that the age grading on films and games is there for a reason. We know that at this time of year, children nag for the latest game and often say that their friends have a particular game or have seen a film that is too old for them. The age guidance is there to protect children from seeing things that are not suitable.
- ★ Make sure that we have your correct contact details. If you've changed your phone (or if you have a new one for Christmas) please update our office so that we can get hold of you in an emergency.
- ★ We continually have problems with parents and carers using the school car park, which puts both children and staff in danger and creates difficulties for people who are legitimately parked. Parents and carers are not permitted to use the car park unless they require access to the disabled parking space.
- ★ All applications for Reception places and Year 4 transfers must be completed and returned to County by the deadline of 15th January 2019. Please apply online at www.worcestershire.gov.uk/schooladmissions. Please note that you still need to go through this admission process even if your child already attends our Nursery.
