

KEY STAGE 2 Home Learning Projects

3S and 3MB

The children in Key Stage two will be taking part in 'Creative Homework Projects' that we would like them to complete over the coming weeks. The project for this half term is Scrumdiddlyumptious, a project about food.

We look forward to seeing the results and would like the children to bring their completed projects into school the week beginning Monday 1st April so that they can share and celebrate each other's talents before the end of term. We would ask that this project reflects six weeks' worth of work, and demonstrates the children's own work, although we really appreciate your support in helping them complete their homework.

Thank you for your continued support.

Mrs Stacey, Miss Tully, Miss Topali, Mrs Thomas and Miss Read
Miss Mayo-Braiden, Miss Moore and Mrs Fannon

<p><u>Research</u></p> <p>Research a festival that involves eating a special type of food and make an information booklet about it. There are lots to choose from. Can you make the food as well?</p>	<p><u>Alphabet challenge</u></p> <p>Make an alphabetic list of foods from A to Z. Is it possible? Can you find an interesting fact about some or all of the foods? Where does it come from? Is it a delicacy in some countries?</p>	<p><u>Let's shop</u></p> <p>Write a shopping list for your family's weekly menu and calculate how much it will cost. Don't forget to look at the fair trade options.</p>
<p><u>Food diary</u></p> <p>Keep a food diary to record the different types of food you eat over the week. Report back, in your opinion, has your family got a balanced diet? If not how could you change some of the meals to make it more balanced?</p>	<p><u>Let's cook</u></p> <p>Make a dish from a recipe book and take photographs to share back at school. Ask your family to rate their meal, did they enjoy it or not? (Remember to wash your hands before you get started!)</p>	<p><u>Story starters</u></p> <p>Write an imaginative story which starts..."You are not going to eat me are you?" said the</p> <p>How will it develop? Are you eaten at the end, or saved?</p>
<p><u>Let's dye it</u></p> <p>Make a fabric dye from a strongly coloured fruit or vegetable. Try beetroot, carrots, tea or spinach. Dip-dye an old white t-shirt. What happens?</p>	<p><u>Design, make and eat</u></p> <p>Design and make an exciting sandwich. Bring a photo of it into school for everyone to see. Maybe we will all go home and make it too?</p>	<p><u>Exercise anyone?</u></p> <p>Plan yourself a weekly exercise regime and encourage a parent or carer to do it with you? Keep a record of your achievements. Did you manage to exercise every day?</p>
