Family Fun for Catshill Parents

Dear Parent/Carer of Year One pupil

We are lucky to have received a funded project from the **Worcestershire Family Learning Team**. We will be holding a Family Fun session **every Wednesday morning** between 9-11 am in the Tulip Tree Centre This will be led by Helen our Family Learning Tutor.

We are limited to 12 places each term and feel that you and your child would enjoy taking part in this project.

Our next group will be taking part in a great project called “**Ready Steady Read**” and will give parents and their child a chance to:

- *Spend time with your child as part of the Family Fun group. This can also be great when you have more than one child to share your time with at home.*
- *Spend time with your Family Learning Tutor sharing practical and helpful ways to support your child both at home and with their learning at school*
- *Get to know other parents and carers at our school and share experiences*
- *Have refreshments together*
- *Learn something new*

The first session will be on **Wednesday 1st May for 10 weeks.**

We would like parents/carers to commit to the ten sessions and come every week as your child will be looking forward to taking part and will not be able to go if you are unable to come.

We are expecting a high number of families to want to take part so will keep a list for future terms of parents who would like to take part if we have more than twelve families. Priority is given to children who are entitled to the Pupil Premium. Unfortunately younger siblings or babies are unable to attend as we have no crèche facilities. Parents and carers can attend these sessions for free if they earn less than £15,700.

Please complete and return the slip attached to the school office by Wednesday 10th April. The office will confirm by Friday 12th April whether you have been allocated a space at this great project. I very much hope you would like to take part!

Yours sincerely

Georgia Plant

Head of School

I would/would not like to take part in the Ready, Steady, Read sessions.
