

Home Learning

Please try one or more of these activities and send them in to share by Friday 14th June.

Create a factsheet about sea creatures – You could visit the library, search the internet or visit a beach or sea life centre.

Create a pirate treasure map – Which direction would the pirates have to take? Do they need to go over, under, through? What would you like to find in a treasure chest?

Write a message in a bottle - Who would you write to? Where are you? What message are you going to write?

Reminder - Tapestry users can share these through the Tapestry app.

Dates for your Diary

Friday 14th June

Monday 8th July
Reception Wyre Forest Trip
Letter to follow.

Thursday 11th July at 9:05am
Early Years Assembly
All welcome to come and watch.

P.E. Pumps

Reminder

P.E. pumps are now needed ready for Sports Day. Please ensure your child has a pair in their P.E. bag which fits them. Please bring them into school by **Friday 7th June**.

Personal, Social and Emotional Development

We will start to join whole school assemblies as well as begin our transition into Year One – visiting the classrooms, having lunchtime play on the Year One playground and visiting the school library.

Expressive Arts and Design

We will create pirate and under the sea artwork.
We will experiment with different materials such as clay, icing and paints.

Understanding the World

We will explore under the sea – which creatures live there, what they eat and where they live in the sea.

On our visit to the Wyre Forest we will explore the natural environment.

Books we will be reading:

Commotion in the Ocean, Tiddler, Rainbow Fish, The Fish Who could Wish, Shark in the Dark, The Snail and The Whale, Pirates Love Underpants. Ten Little Pirates.

Our Topic:

Pirates, Parrots and Portholes.

Physical Development

We will begin to practise for Sports Day and working as a team.
This will involve running, jumping, throwing, balancing and team work.

Mathematics

We will explore halving objects such as fruit or pizzas. We will be learning how to share amounts equally and how we can share the same amount in different ways.

Communication and Language

We will talk about what we have enjoyed most about this year, and what we would like to be when we grow up and why.
We will also share what we are looking forward to in Year One.

Literacy

We will be writing more independently to form sentences and spell words using our phonetic knowledge. We will write letters, poems and stories.
