Dear Parent/Carer

Registration and payment for our school milk scheme is changing

As you know our school provides milk that is available to all of our pupils and whilst this will continue, how we run and manage the scheme is changing. All milk orders will now be handled directly by our current milk providers, Cool Milk and we would like to invite you to register your child with them. School milk is free for Nursery and Reception children, and for Years 1 - 4 is available at a subsidised price of 22p per day.

Each child that registers with Cool Milk will receive a 189ml portion of semi-skimmed milk every day, delivered fresh and chilled to the classroom. Their school milk will not only provide them with essential nutrients, but as it is rehydrating and energy boosting it also bridges the gap between breakfast and lunch to help children stay focused. For more information on how milk can benefit children visit www.coolmilk.com/why-milk-is-great.

How to register

If your child is in Nursery or Reception:

- Register online at www.coolmilk.com or complete the registration form attached to this letter and post to them
- Register by Tuesday at 5pm in any given week for your child's free milk to start the following week (for September this date will be **Tuesday 27th August 2019**)

If your child is in Years 1 - 4:
