Mrs Georgia Plant – Head of School Mr Paul Essenhigh – Executive Headteacher

Monday 30<sup>th</sup> September 2019

Dear Parents/Carers

While some of our children are away on the residential visit to Blackwell this week, we have planned an alternative and exciting curriculum for the children in Year 3 and Year 4 who remain in school.

On Wednesday, Thursday and Friday our remaining children will merge into mixed groups to take part in outdoor and indoor activities which will enhance their art and design skills, support their collaborative learning and develop some personal skills. The theme for the activities will be autumn and the children will be studying the work of established artists as well as creating their own work. Mrs Stacey, Mrs Braiden-Smith, Mrs Fannon, Mrs Lawrence, Mrs Topali and Mrs Skidmore will be leading the activities.

The children remaining in school are a mixed group of Year 3 and Year 4 so we would like to mix the children across classes and age groups to give them the chance to work with those they may not usually have an opportunity to work with.

On Wednesday, the children should come in through their normal classroom doors where they will be registered before moving into their groups for the rest of the week. They will be using the classrooms across Key Stage 2 so may leave by a different door to usual at the end of the day.

**Could you please make sure that they bring forest school clothing in from Wednesday onwards so that the activities can take place outside when the weather permits. Timings may vary so please ensure your child has the necessary clothing in school for the whole three days.**

Yours sincerely

Mrs Georgia Plant

Heads of School
