Sports, Hobbies and Interests Day 25th October

Dear Parents and Carers

On Friday 25th October, we will be holding our annual Sports, Hobbies and Interests Day for all the children at Catshill First School and Nursery. This is to celebrate all the different activities that the children take part in outside of school and to perhaps encourage them to try some new ones.

On the day, we encourage the children to wear something that shows their interest, for example they might choose to wear a sports kit, a special uniform or a hobby related costume. Some interests, such as reading or collecting coins don't require any special clothes so own clothes are fine - please do not feel the need to buy anything extra. The children will still need to go out to play and so all clothes (including shoes) must be suitable for this.

Each class will plan activities so the children can talk about and share their experiences of their sports, hobbies or interests and some classes will get the opportunity to try out something new. We may also be holding extra PE or sports sessions on the day so all children must have their PE kits in school.

If your child would like to bring something in to show (such as a collection) or if you have a hobby that you think the children would like to find out about, please see your child's class teacher or speak to Mrs Plant on the gate.

Yours sincerely

Mrs Georgia Plant
Head of School
