

## Creative homework Projects for our Home Learning Heroes!

The children in Year 2 will be taking part in 'Creative Homework Projects' that we would like them to complete over the coming weeks. They will be able to demonstrate their creative talents and share their findings with the whole class.

Your child should choose at least one task. We hope you see this as an opportunity to support your child in their learning as well as having fun!

All work produced will be on display in your child's classroom and will be awarded a certificate.

We look forward to seeing the results and would like the children to bring their completed projects into school week commencing 9<sup>th</sup> December so that they can share and celebrate each other's achievements.

May we take this opportunity to thank you for your Continued support.
