Date of Issue: Wednesday 8th January 2020

Dear Parents and Carers

At Catshill First School and Nursery, we are always looking at ways we can improve learning for the children. With that in mind, I am writing to you about a new initiative in maths.

We are introducing Key Instant Recall Facts with the children right from Nursery to Year 4. This means that in every half term we will have a focus on a Key Instant Recall Fact (or KIRFs for short) in our maths lessons. I wanted to share these KIRFs directly with you so you will be able to look at the skills your child is working on each half term and help your child with them at home. Any reinforcement you can do at home is really useful.

I have put the KIRFs for all year groups on the back of this letter to help whatever year your child is in. Feel free to start with the previous year's KIRFS should your child need that support.

If you would like any further information on the KIRFs or any other area of maths please do not hesitate to contact me.

Many thanks for your continued support in maths.

Sam Stacey (Maths lead)
