

# SCHOOL UNIFORMS

## REQUIRED

**Uniformity** is a shop based in **Wildmoor, Bromsgrove** designed to connect parents of school communities in a practical way.

We **urgently** require **school uniforms** that your kids have grown out of, no longer use or have never worn, or if you are looking for a secondhand uniform for your child, we will be pleased to assist.

We act as a **platform to help parents** ensure that perfectly usable items can continue to be used rather than binned and sent to landfill, which has the added benefit of protecting our environment.

Our **local shop** acts as a **drop-off** point for any donations of school uniform, including shoes, trainers, PE kits, coats, bags, dressing up/character costumes, Christmas jumpers and much more. **Collections** can also be arranged.

We welcome you to **visit** our shop to **browse** through our school uniform stock and buy items at very low cost. Clothing will consist of quality secondhand nearly new or new items.

Whether a requirement for uniform comes at the start of a new school year or to replace existing uniform mid-term, we will endeavour to accommodate any enquiry, **connecting** you to the uniform you need.

For **stock enquiries** or to arrange a **collection**, please email
