

Values

At this challenging time please remember that our values are ever important. Please show our most important value of kindness whenever you can.

Due to the ongoing situation with Covid 19, we have altered our usual newsletter format. Please use our website, Twitter and Facebook to find out our latest information.

We know that for most of you this is the last day for the time being, we ask you to stay safe, follow latest health advice and look after your mental health as well.

With best wishes from us all at Catshill First School & Nursery.

Science Week

Science week has taken place this week and the children have been able to take part in lots of activities which have expanded their scientific investigation skills, whetted their appetite for science learning and expanded their knowledge and understanding. There are so many wonderful areas of this fascinating subject.

We thank Mrs S Jones, our Science Lead, who worked hard to bring us so many exciting experiences. Every class had a session in the Science Fayre, most children were able to bring in their 'wheels' (Year One session will be rearranged) and there were additional sessions in the Forest School garden as well as exciting experiments in the classrooms.

Further pictures can be found on our Facebook & Twitter pages.

We have decided to put the Easter Raffle on hold until we return to school to give everyone the opportunity to win the amazing chocolate Bunny kindly donated by Bromsgrove Lions. All tickets that have already been purchased will still be entered into the draw.
