

# Catshill First School and Nursery

Date of Issue : 10<sup>th</sup> March 2020

## Science Week

Monday 16<sup>th</sup> - Friday 20<sup>th</sup> March

Our school Science Week is taking place next week. We have planned a range of exciting activities for your child to participate in. Some of the activities planned include a hands-on science fayre in the hall, exploring the sensory garden, conducting and presenting an investigation they have carried out, a photography competition and a wheels day.

As part of the wheels activities, the children will be able to bring in their favourite wheeled toy, whether it be their bike, scooter, skateboard, pram etc. For these wheels activities, we will have tracks set up in the playgrounds for the children to explore so we would encourage you to send your children with appropriate safety wear. However, cycle helmets **must** be worn if your child brings a bike, scooter or skateboard.

We are holding wheels days on different days for each year group, as follows:

Monday 16<sup>th</sup> March – Year 4 (am); Nursery & Reception (pm)

Tuesday 17<sup>th</sup> March – Year 2

Wednesday 18<sup>th</sup> March – Year 3

Thursday 19<sup>th</sup> March – Year 1

Thank you for your continuing support.

Mrs Suzanne Jones

Yr 4 teacher and Science Co-ordinator
