

Dear Parents and Carers,

Next Friday, 13th March, is Sport Relief Day. The children can come into school dressed in their sports/football kit for a donation of £1.00. During the day (and weather permitting) the children will be encouraged to take part in a 1 mile walk/jog/run so pumps or trainers would be advised.

As Year 4 are on their visit to Bishops Wood on this day, they do not need to wear sports clothing. Please refer to the letter sent out for what the children should wear for this trip. These children can still bring in a donation if they would like to.

Sports Relief Competition

As part of Sports Relief, we are holding a competition. To enter, choose one of our school values that you often use when completing sporting activities, during P.E or on the playground (e.g. resilience, fairness, co-operation, trust, kindness).

Fill the page (landscape or portrait) by writing the value in the lettering of your choice and add colour. Be creative as you would like! We will choose a few of the children's designs to feature as part of our values display around the trim trail.

Yours sincerely

Miss Charlotte Moody
Year 3 Teacher & PE Lead
