<b>Not in my control</b>		<b>In my control</b>	
Big World issue:	Whose job is it?	My World issue:	What can I do?
Schools will be different because of new safety rules and staffing changes	My Head Teacher has to decide what changes will need to happen	When I go back to school lots of things will changed	<p>I need to remember that:</p> <ul style="list-style-type: none"> <li>• I might have a different teacher if my teacher cannot come back to school yet</li> <li>• Some of the other children might not be in school on the same day as me</li> <li>• There might be new rules about how I can walk round the school</li> <li>• The furniture in the classrooms will have been moved</li> </ul> <p>I must remember that all these changes have been made to keep me safe</p> <p>The school will let my parents know what the new rules are and I can ask my parents to tell me what they are before I go back to school so I know what to expect.</p> <p>I must remember that:</p> <ul style="list-style-type: none"> <li>• Things that I have missed about school such as <b>as (add specific detail for child)</b></li> </ul> <p>It will help me to remember times when things changed before and it was ok in the end. This will be the same.</p>
