

Value of the month: Our value for July is **FRIENDSHIP**

Two beautiful quotes to remind us of the importance of friendship:

Share your smile with the world. It's a symbol of friendship and peace. - Christie Brinkley

Try to be a rainbow in someone's cloud. - Maya Angelou

A letter has been emailed to all parents/carers (with the exception of Year 4) today, Friday 10th July, to inform you of our proposed arrangements for opening in September. Please look out for this and check your spam if not received.

New School Signs

Earlier this year we ran a competition for the children to design signs for the Trim Trail that showed our Values. The 11 winning designs have been made into professional signs for us to display around school. Below are a few examples of the signs being held by some of the winners. Well done to Erin 1CJ, Elliott 1M, Lillie-Mae 2FD, Lucy RT, Lily 2F, Joshua 2FD, Lottie 2FD, Lucas, RC, Isabella 3BS, Henry RL, Phoebe 4S.

****Remember that school will close to all pupils at 3:15pm on Friday 17th July. During the summer renovation works will be taking place in preparation for our reopening in September****

There are still a number of school year reports awaiting collection from the school office. Please be aware that social distancing measures must be adhered to and that only one person at a time will be allowed to enter the reception area of the office. The office will be open to collect them from 9am to 3pm until Wednesday 15th July. After this time reports will be held onto until our return in September. Any PE Kits or medication that may remain at school still can also be collected at the same time.

Hangout Club - Wrap Around Care

We have been advised that Hangout Club will recommence in September. Details of wrap around care provided by The Hangout Club can be found on our website [here](#).

Free School Meals

Has your situation changed? Do you think you might be entitled to Free School Meals? Free School Meal Vouchers are still being issued to eligible families. It has been announced that this will continue over the six week summer holiday. Out of school learning - final week

We will continue to update our online learning every week. The tasks are for the children not accessing school and are there as a choice to supplement the learning for those who are coming in for part of the week. Please use the link below to find next week's activities (updated on Friday).

[Out of School Learning](#)

Remember, if you want to catch up with something that was set before, all previous weeks' learning has moved to the year group pages.

Other pages include our video stories and challenges [Story Time](#) or activities to support well-being [Well-being](#). Our [SEND page](#) has more links for pupils with Special Educational Needs. **On this page you can also find details of a virtual dyslexia workshop hosted by Chadsgrove School.**

The Speech and Language team have added to their wonderful resources (not just for those with speech needs) [Resources for Children's Speech and Language](#) There's a great new resource included which helps children to deal with coronavirus anxieties.

We are also happy to promote the new BBC bitesize daily lessons [Home](#) and the online lessons from Oak National Academy [Schedule](#)

Book Amnesty - we are asking parents and children if possible can you please return any school reading books before Friday 17th July so that we can ensure everything is cleaned and in place for our return in September. Books can be dropped into the office or brought in with your child if they are currently attending school. Thank you.

E-safety Reminder

We will keep this reminder about e-safety on our weekly newsletter as we know that the use of internet and technology has increased. Please continue to be mindful of the dangers of being on-line as well as the advantages. Please see our school website for further details [eSafety](#) or use the support on the Think You Know website [Thinkuknow - home](#).
