

KEY STAGE 2 Home Learning Projects

3S and 3FD

The children in Key Stage two will be taking part in 'Creative Homework Projects' that we would like them to complete over the coming weeks. The project for this half term is 'Predator'.

We would really like to see what the children have done at home and ask that, during this unusual time, you **send in pictures via email or photographs with your child**. This needs to be done by Monday 19th October so that the children can share and celebrate their hard work before the end of the half-term. We look forward to when children can bring in their projects again and we do hope that this is in the near future.

As always, we ask that the projects reflect around six weeks' worth of work and demonstrates the children's own work, although we really appreciate your support in helping them to complete their homework. The children should complete at least one piece of work but may wish to complete more if they would like.

Thank you for your continued support.

Mrs Stacey, Mrs Fay and Mrs Dayus

<p style="text-align: center;">Library visit</p> <p>Why not visit the local library to find non-fiction books about predators. Look for information using contents, glossary and index pages. Write down any new facts you have learnt and bring them to share with the class.</p>	<p style="text-align: center;">Spelling challenges</p> <p>Learn how to spell the names of weird and wonderful predators of the world. The weirder the better!</p>	<p style="text-align: center;">Sub groups of predators</p> <p>Under each sub group of predators list five or more examples and find facts about them. Choose from the sub- groups: mammals, birds, crustaceans, insects, arachnids, reptiles, fish and plants.</p>
<p style="text-align: center;">Fun fact files</p> <p>Make a mini fact file or short PowerPoint presentation about your favourite predator and bring it into school to share with the class.</p>	<p style="text-align: center;">Create a book</p> <p>Why not make your own non-fiction book about a predatory animal- maybe your pet cat?</p>	<p style="text-align: center;">Glossary</p> <p>Can you write a glossary to explain all the specialist vocabulary of the topic?</p>
<p style="text-align: center;">What am I?</p> <p>Can you devise a What am I? quiz about predators for the class to solve? How many questions will it take for them to get the right answer?</p>	<p style="text-align: center;">Camouflage art</p> <p>In the wild predators camouflage themselves to help them hunt their prey. Can you create a piece of artwork to show this?</p> <p>Remember to make it hard to see the predator in its surroundings.</p> <p>Can you use a variety of materials?</p>	<p style="text-align: center;">Food fun</p> <p>Predators are top of their food chains. Research a food chain for a predator of your choice. You can write it, draw it or complete it on the computer?</p>
