

Year 4 Home Learning Projects

4J and 4F

The children in Key Stage two will be taking part in 'Creative Homework Projects' that we would like them to complete over the coming weeks. The project for this half term is 'I am Warrior'.

We would really like to see what the children have done at home and ask that, during this unusual time, you **send in pictures via email (homelearning@catshillfirst.worcs.sch.uk) or photographs with your child**. This needs to be done by Monday 19th October so that the children can share and celebrate their hard work before the end of the half-term. We look forward to when children can bring in their projects again and we do hope that this is in the near future.

As always, we ask that the projects reflect around six weeks' worth of work and demonstrates the children's own work, although we really appreciate your support in helping them to complete their homework. The children should complete at least one piece of work but may wish to complete more if they would like.

Thank you for your continued support.
