

Understanding Your Child

Worcestershire parents, carers and grandparents can now access innovative ONLINE guides about children aged from 0-18 years. Worcestershire County Council have invested in a multi-user licence for 4 award winning, quality marked, evidence based online courses by the Solihull Approach (a national NHS organisation) and we are therefore delighted to offer you **FREE** access to the courses, normally £19-£39 per person.

Understanding Your Child was established 20 years ago by psychologists, health visitors and other health professionals. It looks at brain development, play, styles of parenting, sleep, temper tantrums, communication and more and is based on the nationally and internationally acclaimed face to face course offered by the Solihull Approach.

There are 9-11 modules each taking around 20 minutes (the main screens have optional audio voice-overs) as well as interactive activities, quizzes, video clips and practical hand-outs.
