Sports, Hobbies and Interests Day 23rd October

Dear Parents and Carers

On Friday 23rd October, we will be holding our annual Sports, Hobbies and Interests Day for all the children at Catshill First School and Nursery. This is to celebrate all the different activities that the children take part in outside of school and to perhaps encourage them to try some new ones.

On the day, we encourage the children to wear something that shows their interest, for example they might choose to wear a sports kit, a special uniform or a hobby related costume. Some interests, such as reading or collecting coins don't require any special clothes so own clothes are fine - please do not feel the need to buy anything extra. Please only wear clothes that are suitable for school and are safe at this current time (including shoes and coats) as the children will still need to go out to play.

Each class will plan activities so the children can talk about and share their experiences of their sports, hobbies or interests within the current guidelines.

Unfortunately, due to Covid restrictions, we can't allow children to bring in any additional items. However, if you have a photo of your child enjoying their sport, hobby or interest, please do send it in to their class teacher via their email address.

Yours sincerely

A handwritten signature in black ink, appearing to read 'G Plant'.
