

🌈 The value for this month is Pride. 🌈

What are your goals? We have been talking about how we can support one another to reach our goals. What can we say to encourage each other along the way? It's so important to say that we are proud of all our achievements no matter how big or small.

🏆 Sports Day 2021 🏆

This week we have all been taking part in Sports Day...

We are sorry you were unable to attend this year to cheer the children on. We hope next year to be able to welcome you all back into school.
Nursery will be having their Sporting Fun next week.

Head Lice

Unfortunately, we have had some cases of head lice in school. Lice are a common childhood problem and can only spread by close head to head contact.

It is important to check your child's hair regularly – this means you can nip an infestation in the bud.

“ Take a peek, every week”

If you have any concerns or need some advice about how to treat the lice, please follow this [link](#) for further information.

Many thanks

● Car Park - Important Notice ●

The car park at Catshill First School and Nursery is for use by school staff only. The only exception to this rule is when access is required to the disabled parking space.
Whilst we appreciate that the roads around school are busy, the car park is not to be used by parents/carers dropping off or collecting their children.
All Access to the school premises must be via the pedestrian footpath and NOT through the car park.

Sunny Days ☀️

Please make sure that your child has a hat for outdoor sessions,
We also recommend that parents/carers apply a long lasting 'once a day' sun cream on sunny days. Thank you ☀️

Covid Advice

Please be aware of rising cases of Covid within the Bromsgrove area.

Worcestershire Children's First have told us, as schools, that we should not change any procedures or systems until further advice is given. We therefore request that parents continue to wear masks and socially distance themselves on the school site. In school, we will maintain our bubbles and continue with the same routines and expectations for our children and staff.

Please be reminded that:

1. If any member of a household displays any of the key symptoms (Cough, Temperature, Loss of taste/smell or headache) then it is necessary to take this person for a PCR test at a local testing point. **Whilst the result is pending all household members should isolate.**
2. Lateral Flow Tests which are now more readily available are for routine testing for those with NO symptoms.
