## Unlocking the Learning

As part of our home learning, we would like the children to take part in one or more of our creative homework projects that link to this half term's learning. Our topic for this half term is **What was important to Ancient Egyptians?**, a History based topic looking at Ancient Egyptian civilisation. Their traditions and beliefs.

We look forward to seeing the results and would like the children to bring in, or email, their completed projects to us by Friday 16th May, so that they can share and celebrate each other's talents before the end of term. We would ask that this project reflects seven weeks' worth of work, and demonstrates the children's own work, although we really appreciate your support in helping them complete their homework.

Please remember that if your child is unsure of their home learning then we can help with resources to complete their home learning, or discuss ideas with them. Please email us for support. We believe it is very important that every child has the opportunity to engage with learning at home and will support however we can with this.

The Ancient Egyptians were one of the earliest civilisations. Where and when did they appear? Can you sequence events on a timeline of Ancient Egypt?	The River Nile was hugely important to the Ancient Egyptians. Why was it so important to them? What did they use it for? What is it used for today?	The Egyptians wrote using hieroglyphics. Can you find out their alphabet? Can you write a message to your teacher using their alphabet?	Can you find out about the Gods and Goddesses of Ancient Egypt? You could research them, draw them or even make up your own.
The Ancient Egyptians had some very interesting ideas about what happened after death. See if you agree with any of their ideas as you research what they believed.	Tutankhamun was a very important ruler of Ancient Egypt. What can you find out about him? Can you draw his death mask?	What about planning a trip to Egypt? What would you like to visit? There are many wonderful sites where you can learn so much about the country both then and now.	Have a look at the art of the time and the symbols that appear in it. Draw your findings.
