

In Science, we will look at the differences between bulbs and seeds. Children will see a variety of bulbs and seeds and will carry out an investigation to observe changes over time.
We will visit Birmingham Botanical Gardens too!

In English we will be continuing to write narratives and information. We will be looking at writing using a range of punctuation taught in year two such as commas for lists, exclamation marks, question marks and apostrophes for contraction and singular possession. Our writing will also focus on extending ideas through the use of adventurous vocabulary.

As mathematicians we will learn how to tell the time for o'clock, half past, quarter to and quarter past. More advanced time telling will be telling the time in five minute intervals. We will find fractions of shapes and amounts including $\frac{1}{2}$, $\frac{1}{3}$, and $\frac{1}{4}$. We will also learn to input data into tables, block graphs and pictograms and interpret data. We will recap all of our previous learning with our daily quiz and continue to practice times tables on @TT Rockstars.

As geographers, we will name and locate the seas and oceans surrounding the UK in an atlas and label these on a map of the UK. Describe the location of the seas and oceans surrounding the UK using compass points, define what the coast is, locate coasts in the UK. and name some of the physical & human features of coasts.

Year 2, Summer 1, 2025

What is it like to live by the coast?

In Music we will appraise, improvise and compose music using instruments with the theme 'Friendship Song'.

In PE we have multi skills which are team games that combine lots of skills we have learned this year. It will be sports day soon too!

Using our computing skills we will be looking at how pictures are taken using different devices. How can we take a good picture and what factors impact or make a good photograph.

As artists we will be sketching real things. Focusing on tone and shading. We will explore how artists such as Alphonso Dunn and Laurence Lowry do this.

Important Information:
2FJ - Forest Fun on Tuesdays and PE on Wednesdays
2F- PE on Tuesdays and Wednesdays

Remember to send your child into school in appropriate clothing for Forest Fun. PE kits should be in school to change into.

In RE we will discuss the question 'How should we care for others and the world, and why should it matter?' What makes us unique?

In PSHE we will begin our next Jigsaw Journey. We will be learning about 'Relationships'. They will learn that friendships involve cooperation, appreciation and trust as well as identifying the people who can help them (their trusted adults) when they are worried or scared.
