

## Languages at Catshill First School and Nursery 25-26

Learning languages widens global opportunities and ensures that children are introduced to other cultures. It builds on and provides further opportunities for pupils to deepen their understanding of the world. Language teaching provides the foundation for learning further languages, equipping pupils to study and work in other countries.

EYFS

Year 1

Year 2

In Early Years Foundation Stage and Key Stage One, languages are introduced in spoken and written forms. Children participate in language learning and understanding through listening, speaking, reading and writing. Their knowledge of phonics, vocabulary and grammar increases step by step. Pupils celebrate and value the variety of community languages spoken and understood in their classes. They will take opportunities to use different languages (such as to answer the register) and be exposed to word origins, spelling patterns and vocabulary as this arises in connection to other learning. These wider opportunities will continue into Key Stage Two alongside the study of one language in more detail - French.

Year 3

Hola!

Números

Las formas

Mi salón de clases

Curriculum focus

We are introduced to the country and the language of Spain and learn Spanish greetings

We know some Spanish numbers and say different ages.

We can name some shapes and colours in Spanish.

We can talk about some classroom objects in Spanish.

Year 4

Visitemos América Latina!

¿Qué es la fecha?

Los animales

Curriculum focus

We take a journey around Latin America

We can use more numbers and dates in Spanish.

We can talk about our pets and animals in Spanish.

Beyond CFSN

Having completed Year Four at Catshill First School and Nursery the vast majority of pupils move on to Catshill Middle School. They join pupils from a number of other schools and continue their language learning journey studying Spanish.
