

## Art & Design at Catshill First School and Nursery

Our art curriculum showcases artists that will help to empower our children, demonstrating diversity and opportunity for all. A range of great artists have been chosen to help show the evolution of art and their contributions to the creativity and wealth of our nation. Children will touch on movements such as Impressionism and Pop art and look at art from different cultures and from different points in History. Within their art lessons, children will have the opportunity to analyse and reflect upon the artists' work, make links between artists and understand the contribution of art to different cultures and periods in history.

EYFS

EYFS topic titles and content are generated by the children's interests and will be updated half termly

Term

Aut 1

Aut 2

Spr 1

Spr 2

Sum 1

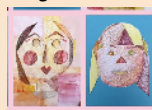

Sum 2

Year 1

Painting:  
Light & Dark

Sculpture:  
Versatile Materials

Drawing:  
Tone, Texture & Proportion

Curriculum focus

Tone & texture

Sculpture using various materials

Refining drawing skills

Beyond CFSN

At CMS, our pupils' art journeys continue with specialist teaching focusing on refining different skills to prepare them for KS3 and beyond.
